

Burn Permit Guidance:

For Residential Tumble Weed Burning:

A Burn Permit must be obtained from the nearest Fire Station. The permit is good for a year. The day prior to burning you need to call the **local station** and let them know that you intend to burn (be placed on the Burn List). You also need to verify with the AVAQMD that it is a **burn day**. You may find that information on our website or by calling 723-8070 ext *601.
