PERP Appointment Request

As of 4/27/07, Article 5, Section 2460(b) of the Code of California Regulations (CCR) requires owners or operators of registered portable engines or equipment units to notify the Home District within 45 days of the initial registration or renewal date to schedule an inspection. The inspection shall be completed within one year at a time and place agreed upon in advance. Please complete all applicable sections of the form below. AQMD staff will contact you within 30 days following receipt of the request to schedule the inspection.

Attach additional pages as needed

Important Notice: Pursuant to CCR Title 13, Article 5, Section § 2458(a), 2458(b), and 2460(b)(6), failure to have engines or equipment units and the required documentation and records available for inspection may result in violation notice issuance and penalty assessment. For in-field inspections, portable engines and equipment units must be observed in operation. Contact AQMD at least 48 hours prior to the time of an arranged inspection appointment to reschedule.

Submit the completed request by one of the following methods:
