Please submit to: asbestosdemo@avaqmd.ca.gov

Certificate of Occupancy/Building Permit

(*Residential projects are exempt.)

Applicant is seeking clearance for:

Certificate of Occupancy (only if no prior building permit or there is a change in use)

Building Permit (not for demolition/renovation or asbestos permits)

Business Name: _____

Contact: _____

Phone: _____

Mailing Address: _____

City/State/Zip: _____

Facility Address: _____

City/State/Zip: _____

Type of Business: _____

(For example, Dry Cleaners, Gasoline Dispensing, etc.)

Please respond to the following questions.

1. Will the subject facility use any of the equipment/processes listed in the Air Pollution Permit Categories (see attached) or other processes not listed that have the potential to emit or control air contaminants? (If yes, please contact the AVAQMD for an ATC Application.)

Yes No

2. Will subject facility be located within 1,000 feet of the outer boundary of a school? (If Yes, proceed to item 3.)

Yes No

3. Will your facility have the potential to emit hazardous air contaminants? (If Yes, proceed to item 4.)

Yes No

4. Attach a list of substances and include a plot plan. The plot plan must include the distance of the facility location's outer boundary from the nearest school's outer boundary.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct to the best of my knowledge.
